January 10, 2017

TO: Special Districts in Unincorporated El Paso County
FROM: Raimere Fitzpatrick, Project Manager/Planner II
RE: Updated Annual Report/ Disclosure Form for Special Districts

Attached to this e-mail is an electronic version of the **Special District Annual Report and Disclosure Form** which is required to be provided by all Title 32 Districts with territory in unincorporated El Paso County on or before **February 28, 2017**. This form was authorized by the Board of County Commissioners pursuant to Resolution No. 06-472, recorded at Reception No. 207008420, and supersedes the prior form which has been in use since 1990.

Also attached are the following:

- Electronic (Microsoft Word) version of the Annual Report and Disclosure Form
- Instructions for completing the form
- Sample forms which can be used to expedite creating a form for your particular type of District.

Manually completed, hand-written forms are acceptable but are not preferred.

This combined form has two (2) distinct purposes. One is to provide the annual information directly contemplated by State Statute and the other is to provide a convenient, consistent, and updated format for general information on each District for posting on the County's website. Ultimately, there is expected to be a direct link from the County Assessor's website to the District information. Therefore, it is imperative that this form be provided and that it contain clear, complete, and updated information.

A copy of this e-mail is being provided to District contacts, Special District Managers, and Special District Attorneys. To avoid potential duplication of effort and billing, please coordinate among applicable parties to determine who will be completing the form.
