<b>FEE NOTES</b>			
* Surcharge is used for technology upgrades.			
1) The Development Services Director may waive or reduce an applicable fee for exceptional circumstances including but not limited to: a) The elimination of an obsolete zoning designation, b) County-initiated applications, c) concurrent submittals.			
2) Unless an error occurred by County staff which resulted in the filing of an unnecessary application, the maximum fee refund for a withdrawn application is 80% of the original fee, and no refunds will be granted for applications once they have been officially forwarded to agencies for review.			
3) For those projects that, because of their size, type of operation, or technical details which are beyond the technical expertise of the El Paso County staff and require review and the provision of appropriate technical expert testimony at any required public hearing(s) before the County's governmental bodies or contracted employees of the County, the costs for said review and the provision of said expert shall be paid by the applicant. The extent and nature of said costs shall be established between the applicant and El Paso County prior to formal submittal.			
4) For those applications/ requests which are not specifically listed, the Development Services Director shall establish the submittal fee. Said fee will be based upon the most closely related identified application type.			
5) Special District review costs shall not exceed 1/100 of 1% of bonded indebtedness. The exact fee will be determined at the early assistance or application stage.			
6) Inert Material is defined as earth, sand, gravel, rock, hardened concrete, masonry, asphalt paving fragments, scrap lumber and plywood, drywall, shingles, and other demolition or construction waste. It does not include, among other things, asbestos or anything containing hazardous or toxic wastes or materials, yard clippings or other such organic wastes, scrap tires, junk vehicles, sludge or industrial wastes or by products, or petroleum or other contaminated soil.			
7) Waiver or deviation requests are 2 per project, in combination. If subsequent waivers or deviations are requested after original approval of 2, additional charges are applicable.
